Fixings

PLASTIC PLUGS

Plastic plugs are manufactured in the UK from premium grade polymer. They are also moulded with protruding side fins to restrict rotation and prevent fall out when fixing overhead. Are suitable for application into many building substrates including brick, mortar, concrete, cement block etc., packed in boxes of 1000

Code	Detail	Drill size
FX3PP1	Red	5.5mm
FX3PP2	Brown	7.0mm

REBAR PROTECTION CAP

High visibility re bar protection caps are designed for use throughout the construction industry, mainly for push fitting on the ends of protruding reinforcement bar to reduce the risk of serious injury.

Code	Detail
FX3RC1	6-18mm (Bag 250)
FX3RC2	16-32mm (Bag 250)

PLASTIC PACKERS

Colour coded for easy selection. Will not rot. Cavities for easy mastic fixing. Gripper guides to prevent packer slipping off screw. Use for aligning battens and frames, and also for spacing of flooring from walls. All have a loading rating of 25KN. All are 43mm wide – can be used for multiple applications

Fixings

SILICONE SEALANT

A premium grade ,one part acetoxy curing silicone sealant for glazing, construction and industrial applications. Suitable for sealing of all types of sanitaryware including baths,basins,showers,toilets and glazed tile surrounds. Perimeter sealing of window and door frames.

Code	Case Qty	Detail
DE1SSC1	24	Clear Multi-purpose Sealant
DE1SSW1	24	White Multi-purpose Sealant

INTUMESCENT SILICONE WHITE

Excellence resistance to fire in accordance with BS476 Part 20

Code	Box Qty	Detail
FRDE1SS	15	White 310ml

DECORATORS CAULK

Permanently flexible gap and crack filler, paintable when dry.

Coverage approx 12m using 6mm bead

Code	Box Qty	Detail
DE1DC3	24	Decorators Caulk

SKELETON GUN

Skeleton Gun for application of 380ml/400ml adhesives, decorators caulk and sealants.

Code	Detail
ST5S91	Silicone gun

HAND HELD EXPANDING FOAM

Hand held Expanding Foam – High expansion polyurethane foam for filling irregular gaps around door frames, ducts etc. Expands to 30 times its original volume.

Code	Box Qty	Detail
FX4EF1	12	Standard Hand Held Expanding Foam 750ml

GUN GRADE EXPANDING FOAM

Gun Grade Fire Resistant B1 gun grade filler foam. It bonds to most surfaces offering excellent sealing and insulating properties Combined with outstanding fire resistance Conforms to B1-F30 . Ideal for sealing between separation walls, ceilings and floors, perimeter joints around window and door frames and sealing wiring and pipe apertures through walls and partitions. Yields up to 30 x original volume.

Code	Box Qty	Detail
FX4EF2	12	Fire Resistant Gun Expanding Foam 750ml

GUN CLEANER

Gun Cleaner. size 500ml

Code	Box Qty	Detail
FX4EF3	12	Gun Cleaner

GUN FOR GUN GRADE EXPANDING FOAM

All Metal Gun for Gun Grade Expanding Foam

Code	Box Qty	Detail
FX4EF4	12	Gun Applicator

Fixings

PVA WOOD GLUE

Ultra Strong, clear drying, water resistant for interior and exterior use. Suitable for all applications where a fast set and high bond strength are required. Conforms to BS4071 & EN204 grade D3

Code	Detail
FX4WA1	1 litre
FX4WA2	5 litre

RESIN APPLICATOR GUN

For application of Chemfix Resin

Code	Detail
FX4PR3	Resin Gun 400 ml

BUFFALO RESIN (POLYESTER)

A two component chemical anchoring injection system. A formulation derived from polyester resin with high bond strength, developed principally to anchor threaded rods into concrete, and for masonry and hollow wall installations. Used widely for medium loads in both horizontal and vertical applications.

Code	Detail
FX4PR1	Polyester 410ml

BUFFALO RESIN (VINYLESTER)

A pure vinylester resin designed for high load bearing applications in concrete. This product is also designed without styrene to allow safe use in confined spaces. High chemical resistance and durability. Suitable for large diameter fixing bolts, posts, threaded rods, studs and anchors.

Code	Detail
FX4PR2	Vinylester SF 410ml

STRONG GRIP

Strong grip is the best gap filling adhesive mastic available for general construction and fixing tasks
Very minimal slippage

Code	Box Qty	Detail
DE1SG1	12	Strong Grip

BUFFALO RESIN MIXER NOZZLE

Replacement nozzle

Code	Detail
FX4PR4	200mm
