

STEP UP IN
COMFORT

COMFORT MEANS ALL DAY PROTECTION

COLT STS VR609.01

SPECIFICATION SHEET

Short description

Colt is a classic dealer boot with a large pull-on loop for quick and easy wear. This metal-free boot incorporates a composite toecap and midsole, making the boot comfortable to wear all day long, but also strong enough to protect feet. The boot also benefits from the Dual Comfort shock absorbing insole and the new STS rugged sole – working hard so your feet don't have to.

Safety Specification

EN ISO 20345:2011 SIP SRC

Anti-slip
traction

Anti-static

Composite
toecap

Metal free

Size

Available in sizes: UK 6 - 12 (EU 39 - 47)

Upper

Durable black leather upper - water resistant and breathable. Reinforced leather pull on tabs and elastic side panels.

Lining

Durable moisture wicking and highly breathable lining.

Insole

The dual comfort insole features unique airflow channels to maximise air circulation and reduce heat. With twin anti-shock foam pods the heel and the ball of the foot, this insole will provide daylong comfort where you need it most.

Toecap

Wide fitting composite non sparking and thermal insulating. It has been tested to the impact of 200 Joules.

Protective midsole

Flexible woven composite material, pierce resistant to 1100N.

Sole

The V12 STS is a revolution in sole design. Inspired by tractor tyre technology and made from highly durable PU, the STS provides high stability and traction on loose surfaces and has ladder grips with firefighter standards of safety. A re-designed heel strike pad and non-clogging channels deliver exceptional water dispersal.

Warranty

We design our boots to the highest standard to ensure they keep you safe day after day. We're so confident that our boots will stand the test of time, that we offer a 200 day guarantee as standard.
