

BearTOOLS UNIVERSAL INSPECTION RECORD

This universal inspection record is designed to ensure any machine or item that is in use within the factory or workspace is up to standard and is deemed safe to use. It can be placed on items which should not be touched or that are dangerous to use.

Contents - 10x holders, 20x inserts, 20x cable ties, 1x pen

Product Code - UIR1K10

- Description
- **VISIBLE AND CLEAR:** bold colours allows the inspection record to be well spotted within the construction site.
 - **EASY DESIGN AND LAYOUT:** Clearly record the vital information, risk assessment period and inspection dates of whatever machinery the record has been applied
 - **ROBUST:** high quality and weatherproof, displaying the most up to date information - so is super convenient for quick-reference.
 - Comes with a holder which attaches to the platform permanently in which the inserts pop in and out easily and quickly.
